If you are requesting a continuance you must file a motion with the clerks office. The court speaks through the docket. Thank you.

CAUTION - EXTERNAL:

I am awaiting scheduling for my stress test. Is there anyway we can have the hearing later in the day? Most stress are given in the morning before noon.

Sincerely,

CAUTION - EXTERNAL:

Good morning,

Last night, I had chest pains and troubling breathing while driving. I went to the Euclid Hospital ER. I have attached paperwork. I need to reset the hearing date. I am not physically able to be in court today. I started having chest pains and shortness of breath. I was discharged late last night. I will be called today for a stress test. For your review, I have attached the document from the emergency room.

Thank you,

Darryl D. Moore, Sr.
